ICT: Application Development

Dear Mr. or Ms.

I was excited to learn of the IT opportunity with your company and wanted to contact you in hopes of your consideration. Having reviewed the position requirements, I believe that the skills I offer and my educational pursuits are a great fit with the kind of Job Title your company is looking for.

I will bring value to your organization through my well-developed skills and academic experiences. I have a strong working memory and processing speed enabling me to accurately monitor multiple tasks simultaneously, calm demeanor enables me to make good decisions in high-pressure situations. I have contributed significantly to team projects through my collaborative efforts, employing critical thinking and problem-solving abilities.

As my attached resume demonstrates, I offer the teamwork qualifications and knowledge that you require in a new job position, along with an eagerness to learn. I would appreciate a formal interview to discuss the possibility of joining your team. Please feel free to contact me for additional background details or to schedule a time we can meet. I look forward to hearing from you at your earliest convenience.

Sincerely,

Edvalter da Costa Jamba
